Dear Allen:

I would like nothing better than to work with you and the Downriver congregations in a campaign in 1969. It would have to be understood, however, that this would have to be in the place of the meeting we have scheduled at Trenton. Please proceed with your deliberations and let me know when a definite decision is reached.

I am sure we can work out an acceptable date in the months you suggested. I hear good reports of your work and of the churches in the area. I send my very best regards and prayers. From all reports Paul is doing an outstanding job at Lebanon. I think this is a great opportunity for him. He certainly has much to offer. Sue sends her best wishes to you and the entire family.

Fraternally yours,

John Allen Chalk

Dear John Allen,

There is some talk of having a co-operative meeting in the downriver Detroit area during the summer of 1969. As you are scheduled with us for April of that year it is suggested we use you for that meeting. It would have to be in the summer for it seems a tent will be used. Please let me know the openings you have in the summer - June - July - August or early Sept. - for that year so I could inform the brethren. This meeting should begin and end on a Sun. The number of congregations involved would be from 10 to 15, I guess.

My wife and I saw Paul, Sandra and Lori recently. We spent a little time with Glenn and Louise. Remember us to Sue.

Sincerely,  
Allen Killom
